SYNOPSIS

Jono and Jack work on school projects to create vehicles that move using different kinds of power. As they explore creativity, power, and design, they reflect on the greatest creation of all—the world itself—and come to understand that God is the ultimate Creator. The episode explores the difference between accidental existence and intentional design.

KEY QUESTIONS

1. Who made the world, and how do we know?
2. What does it mean that God created us “in His image”?
3. Why do some people believe different things about how the world began?
4. What did God say about His creation at the end of each day?
5. How can I tell others about God, the Creator?

BIG IDEAS

1. God is the Creator – He made the world with design and purpose.
2. We are made on purpose – You are created by God and deeply loved.
3. Creation points to the Creator – The world is full of evidence of God’s design.
4. We can reflect the Creator – Like Jono and Jack, we can create and appreciate beauty and purpose.

MEMORY VERSE

Genesis 1:1 (NIV)
 “In the beginning God created the heavens and the earth.”

BIBLE PASSAGES

1. Genesis 1:1–31 – The Story of Creation

► *This is the full account of how God created the world in six days and rested on the seventh. It shows His intentional design, His power, and His love in creating everything “very good.” It’s the foundation of the episode’s message that life didn’t happen by accident.*

2. Psalm 19:1 (NIV)

“The heavens declare the glory of God; the skies proclaim the work of His hands.”

► *Reminds children that nature itself points to a Creator. The beauty and order in the world reflect God’s power and artistic design.*

3. John 1:3 (NIV)

“Through Him all things were made; without Him nothing was made that has been made.”

► *Emphasizes that Jesus was active in Creation, showing that the Son of God is not only our Rescuer but also our Maker.*

4. Colossians 1:16 (NIV)

“For in Him all things were created: things in heaven and on earth... all things have been created through Him and for Him.”

► *Teaches that everything in creation exists for God’s purposes, helping children understand that we were made to glorify Him, not ourselves.*

5. Hebrews 11:3 (NIV) – *“By faith we understand that the universe was formed at God’s command, so that what is seen was not made out of what was visible.”*

► *Points out that creation is an act of God’s power, not just something we can explain with human science—it requires faith to understand.*

6. Revelation 4:11 (NIV) – *“You are worthy, our Lord and God... for You created all things, and by Your will they were created and have their being.”*

► *Helps children see that God deserves our worship because He made us and sustains all life.*

Verse 1

Can it be true, can it be right
 Did you really make this world God
 The day and the night
 The trees and the flowers
 Animals and birds
 Do you create it God 'cause I want to learn and know
 It seems to make sense with such amazing design
 I'll investigate and see what else I find

Well I do believe that God created this world
 He's the master designer
 And I have observed
 Everything around me
 Has been thought out and planned
 It all makes such sense to me I understand
 Yes God's the Creator, this really is true
 He's made it all because he loves me and you
